

AATB Annual Meeting  
**Aligning for the Future**  
September 17-20, 2023 | National Harbor, MD

## 2023 AATB Annual Meeting Submission Site Abstract Submissions

The 2023 Annual Meeting is an ideal platform for recognizing outstanding research conducted in the tissue banking community. All submitted and accepted abstracts and corresponding digital posters will be showcased in the abstract display at this year's Annual Meeting, September 17-20, 2023, in National Harbor, MD, and in the conference app and website. In addition, one winner and one spotlight will be chosen per category and invited to present as part of the Scientific and Technical Affairs (STAC) track at the conference.

Submitters of all accepted abstracts will be invited to submit a digital poster to be featured in the AATB Annual Meeting abstract display, conference app, and website. You will be notified of the outcome of your submission by **June 12, 2023**.

Submitting an abstract confirms that you or a designated speaker/author are willing and able to present the proposed topic at the 2023 AATB Annual Meeting and/or will submit a digital poster to be published by AATB within the timelines set forth by AATB.

### Scientific and Administrative Abstract Submissions

Abstracts can be submitted in either the scientific or administrative category. They must be based on original work that has not been previously published or presented in any other copyrighted journal or abstract book. Abstracts may have been previously submitted at smaller/regional meetings but cannot be previously published.

### Submission Deadlines

All abstract submissions must be completed by **May 26, 2023**. Accepted abstracts must submit digital posters by **June 30, 2023**.
