

Coagulation Factors/Factor Concentrates from Human Pooled Plasma

Current as of August 20, 2014

Generic Names	Drug Names	Comments
Factor XIII (plasma-derived)	Corifact	Human pooled plasma
Factor VIII (plasma-derived)	Hemofil M, Koate-DVI, Monarc-M, Monoclate-P	Human pooled plasma
Factor VIII/von Willebrand factor complex (plasma-derived)	Alphanate, Humate-P, Wilate	Human pooled plasma
Factor IX (plasma-derived)	AlphaNine, Mononine	Human pooled plasma
Factor IX complex (plasma-derived)	Bebulin VH, Konyne 80, Profilnine SD, Proplex T	Human pooled plasma
Anti-inhibitor complex (plasma-derived)	Autoplex-T, FEIBA NF, FEIBA VH	Human pooled plasma
Fibrinogen concentrate (plasma-derived)	RiaSTAP	Human pooled plasma
Antithrombin (plasma-derived)	Thrombate-III	Human pooled plasma
Protein C concentrate (plasma-derived)	Ceprotin	Human pooled plasma
Prothrombin Complex concentrate (plasma-derived)	Kcentra	Human pooled plasma
